More Information			

THIS IS THE ONE! I am selling the **CLEANEST and MOST ORIGINAL** 914 that you will ever find. This 1972 Porsche 914 has had only five owners since production. Three of them were members of The Porsche Club of America. This amazing 914 has always been garaged. The 1.7 L engine has never been separated from the 5 speed transmission and neither has been removed from the car. Everything on this car works like it should. The Willow Green paint is 98% original. The interior is flawless, and sports original Coco mats. The luggage compartment includes the unused spare tire, and tool kit. The carpets in both front and rear compartments have been pulled back to show how perfect those areas are (*see photos). The body and chassis are perfect. There is a small ding behind the driver's door (*see photo). Photos of the undercarriage and engine further show how clean and undamaged this 914 is.

This Porsche fires right up, and sports Fuchs 2.0 L wheels and New Daytona tires.

If you are looking to add a 914 to your collection, this is the one!

Vehicle can be inspected and test driven by appointment. Please complete all inspections prior to the end of the auction. Deposit is not refundable.

Good luck bidding. This is a fabulous 914!
