**All my auctions are TRUE NO RESERVE auctions!!! This car is selling to the highest bidder no matter what the price is, so bid often and don't miss out on this rare beauty.**

**Good luck to all the bidders!!**

***This pampered 36k mile Porsche has spent it's entire life in Scottsdale, AZ. Purchased new in 1974 at Camelback Porsche of Scottsdale and was owned by the original owner for 33 years. And now for the first time being offered to the public.***

## ***Remember this a no reserve auction!!***

The following is a list of options as this Porsche is currently equipped with:

- - 1.8lt FI 1795cc 4 Cyl Engine
- - 5 Speed Manual Transmission
- - Air Conditioning (blows cold)
- - Original Porsche AM/FM Stereo
- - Added Kenwood AM/FM CD Player W/Remote
- - Factory Center Console
- - Defroster
- - Factory Gauge Package
- - Full Size Spare
- - Factory Jack
- - Five Fuch's Wheels
- - New Tires 195/65/R15
- - Removable Targa Top
- - Repair Manual And Hand Book
- - All original Keys
- - Owners Manuals And Cover
- - etc.....

You can tell when you drive this car it has never been abused, and has always been well maintained.

She runs down the road perfect and shifts as smoothly as the day it was new. Everything works perfect the lights, clock, gauges, radio, A/C etc.... the factory radio is hooked up but not to the speakers however the Kenwood system sounds

great.

Mechanically this Porsche is perfect! I have never had an older Porsche that did not leak one drop of oil until Now....No Leaks at all that's Awesome. I would not hesitate to hop in this beauty and drive anywhere that's how nice she is. I would say this is a very very well maintained Survivor with only 36k miles.

The interior and exterior trim are all in perfect original condition. The bumpers, glass, stainless, chrome trim look amazing. The undercarriage is a good Detail away from being perfect. Again this is one AWESOME car! This truly is like finding something that was in a time capsule.

The **Zambezi Green** paint code L64K looks to be mostly original and still shines like a new paint job even in the trunk, engine bay, interior and door jams it looks new. Of course this is a rust free AZ car. The tan interior is also in perfect original condition, looks like the bolsters were redone with factory materials and match perfect. The carpets are showing some wear but not bad. There is a small nick in the drivers door that you can see in the pictures. Other than that I really can't fault the car with any cosmetic defects.

Where will you ever find a Porsche like this with only 36k miles and in this condition. So remember the final price is what it sells for so don't let this one get away.

All in all, these early Porsche 914's in this condition are one of the most sought after Classic's on the market today! With great looks and huge collect-ability, this would be a wonderful opportunity for someone to not only have a part of history but an appreciating Asset!! Lots of these cars have been rusted out, but to find one as Rock Solid, unmolested as this can only be a Right Choice. Please email or call with any questions. I can help with shipping quotes and arrangements. I also welcome International buyers and have shipped cars all over the world. I can help you through the process! If you have any additional questions please email or Call Joe at 602-418-1736 with any further questions. This car is located in Sunny Paradise Valley, AZ!

***Good luck in the bidding!***
