SOLD.... \$20,000 to Uwe in Germany. He sent a transport and they just picked it up. Hope this helps the value of all your 914's out there. And I hope it makes you grind your teeth to the gums for all of you who messaged me saying that I wouldn't get more than \$10k.

Lurker

Thank You to all that supported me.

Good sale! I still got more for mine. 😊 that car was worth \$22-24. This time of year \$20k is a good sale. I called you the second you listed it on Craigslist and tried to get it for \$15k. But you were on to me. 😊

Found my next 2, secret for now! :)

Admins or Pat G - this one might be better off in either the Garage or O&H, or maybe a new (sub-) forum for Sold 914 Comps?? 🙏

I'm suggesting this, because IIRC the classified ads expire & go away after a while.

Jeff also has comps on his website!

So get this one in there Jeff, & his original FS ad had some write-up on what was included & a few more pix too.
