Blue metallic. 2.0 engine. 20,000 miles. As new, no excuses, just a nearly mint example! This car is current on display in our showroom, and is a perfect example of the final year of 914 production. 1976 models are the rarest of the four cylinders as only 4100 were made and never in 1976! SOLD for \$25,000.
