2980 Original Miles. This is a 1975 Porsche 914 1.8 completely original in mint showroom condition. A neighbor of mine purchased it new in 75' and didn't drive it much but kept it garaged all of it's life. This is just like stepping back into 1975 and purchasing a brand new Summer Yellow 914 right off the showroom floor. No rust, no dings, looks and drives like it is brand new. Even the AC works. All of the rubber hoses, filters, and tires that have showed some aging have been replaced by a reputable Porsche repair shop. The period correct tires have been put on as well and a professional detail performed. It is ready to drive, show, and enjoy. If you are a collector it is guaranteed to put a smile on your face because you will not believe the superb condition. If you are an enthusiast and you just wanted to know what it was like to purchase a brand new 914, drive it and show it, you will not be disappointed.

This vehicle is sold as is and buyer will be asked to make full payment with a certified check 3 days after close of sale.
