SELL THE WORLD'S STUFFIEST AUTOMOBILES.

Imagine. Selling the world's great luxury automobiles for a fraction of their original cost. It can be done with Porsches, BMWs, Firebirds, and Mazdas from TFA Car Co.

Our high-performance pillows have all the precise engineering, superb styling and great handling of the real thing.

It's what's inside our car's cloth exteriors that gives them their prestige. They're stuffed. So they

bounce back from collisions with amazing agility. Don't worry about bent fenders or crumpled bumpers.

Parking is easy for both and the minis with fixed wheels 11"x5½"x5½" (28x14x14cm) (pictured) and the maxis with wheels that turn 16"x8"x8" (40x20x20cm).

And talk about sell.

These pudgy performers make even the toughest customer a soft touch. Especially

when they're advertised in "Road & Track" and "Car & Driver" magazines.

On the back of this page, you'll find a complete list of what's available. But like any luxury item, quantities are limited. So order now. To order contact:
