Engine Size: 2.0 LITER

Transmission: MANUAL

Summary: With all documentation. This car was delivered from the factory to Salem, OR to Roth Porsche Audi Inc in 1976. The car has all the original books and stamps to show.

Details: This porsche is a 2.0 Liter. The car was purchased, dismantled to rolling shell. The doors, deck lid and trunk were removed and the body was stripped to bare metal as well as the jams and trunk. The car was block sanded, primed and painted the correct Porsche factory color Wimbledon white base coat/clear coat. The car was then reassembled. The original T-Top vinyl was also redone. Every piece of exterior stainless was removed and polished. The car was restored to all original specifications. The interior is also brand new with black glove soft leather, new carpets, seats and door panels as well. Original factory appearance group console with all gauges in working order. The car retains the original 2.0 factory engine. The car has the original Fuchs wheels that have been polished and restored. The front and rear trunks are excellent. The original jack, tool kit and spare tire are also included. Concours restoration. Car was originally sold and serviced at Roth Porsche in Salem Oregon. Comes with original manuals with stamps from the dealership.
